## Use-Case Specification: View Wiki

### 1. Use-Case View Wiki

#### 1.1 Brief Description

The Use-Case "View Wiki" allows the user to read information of all playable characters. The information is limited but they involve a picture, name, nickname and a short description. The user can scroll down or can search a character.

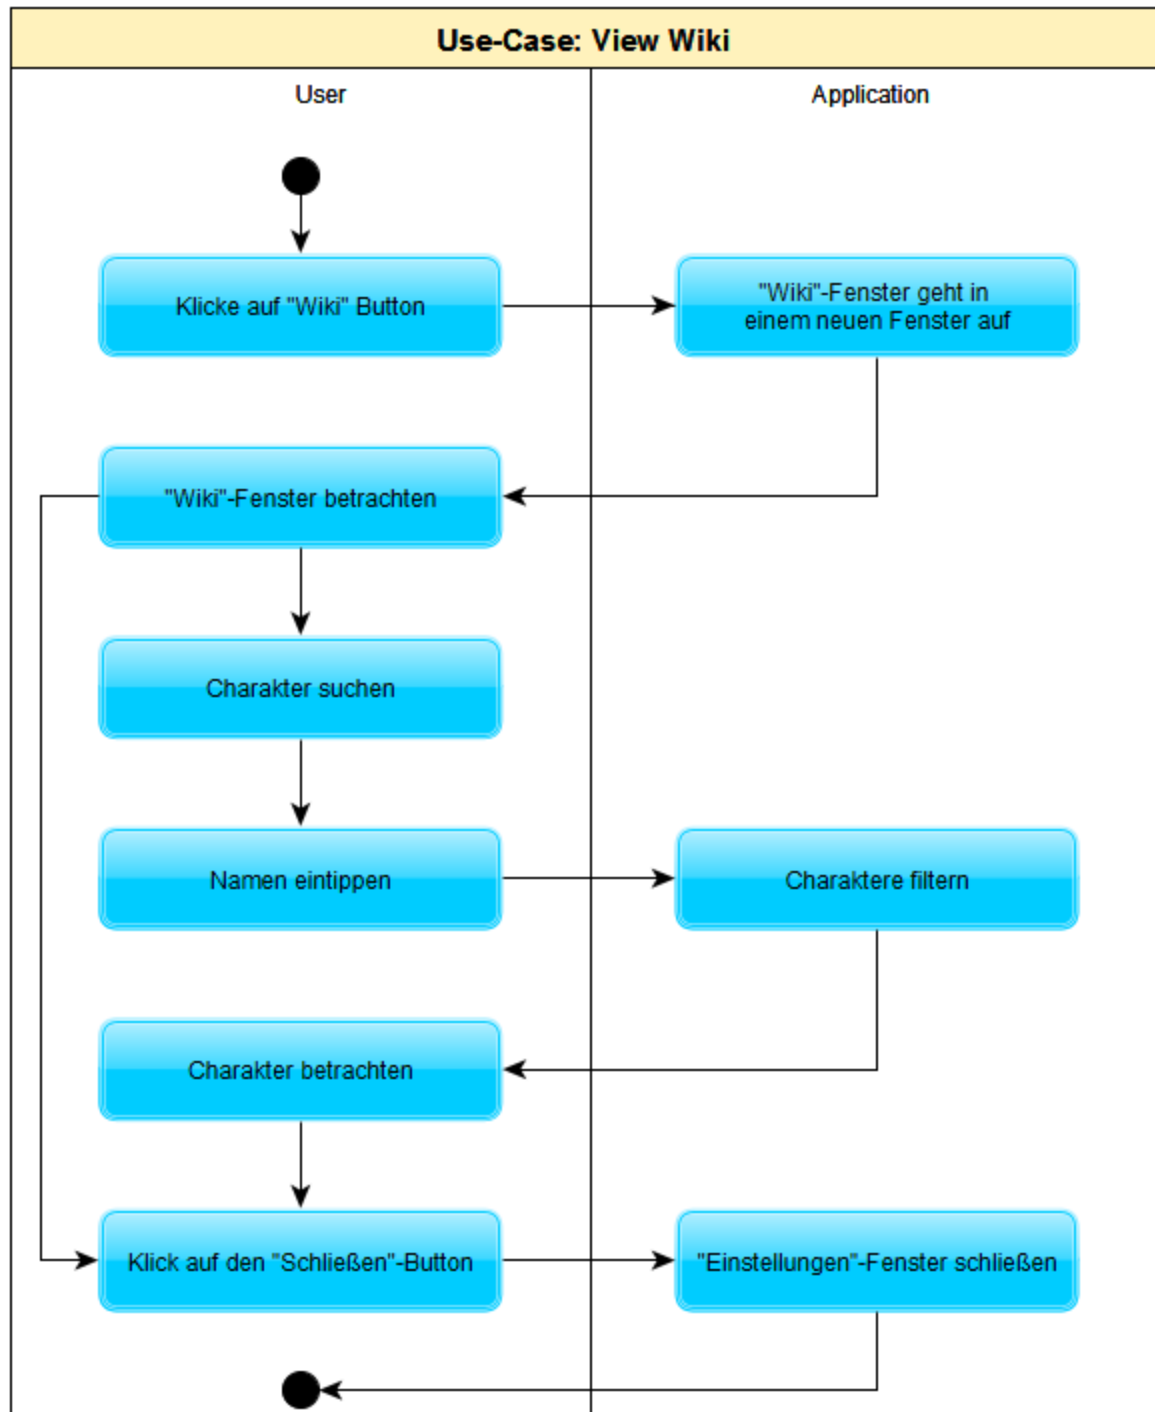

Also this view has a button to add new characters to the game/database  
(UseCase Add Character – tbd. /4. Semester)

Nappy, the ingenious	Version: 1.1
Use-Case Specification: View Wiki	Date: 30/11/2015
